

## Yitzhak and Rebekah Ishay Ribo

The servant stood in prayer  
he turned his heart towards the heavens  
In tears, he requested, “please do kindness by  
me and let me find a wife for the son of my  
master”

He had scarcely finished speaking  
when Rebekah,  
with her jar on her shoulder  
came out to the well  
and towards her runs Eliezer,  
for he saw that the waters rose in the well  
to help her.

He had scarcely finished pondering,  
and Rebekah lowered her jar,  
and let him drink,  
and quickly poured water into the trough  
therefore, he saw that from Heaven,  
this woman of kindness

The servant stood gazing in wonder  
and he bowed down to the LORD  
Who had made his errand successful  
and who has not withheld His steadfast  
faithfulness from the house of his master.

And from then until today,  
40 days before the creation of a child,  
a voice from the heavens  
declares the future zivug  
(destined partner) for each person.

“Like Avraham & Sarah...”  
“Like Yitzhak and Rebekah ...”.
